

Child Protective Services 101: For Parents, By Parents

ARE YOU INVOLVED WITH CHILD PROTECTIVE SERVICES?

WANT INFORMATION AND RESOURCES?

For parents at the earliest stages of Child Protective Services in the State of Maine.

This is a **FREE** one-time, two-hour virtual session with information, resources, and support to help you to understand CHILD PROTECTIVE SERVICES (CPS).

Informational sessions are facilitated by parents who have experienced CPS or navigated multiple complex systems.

- Hear from professionals who work with parents like you.
- Tips for how to successfully engage in the process.
- Contact information for helpful resources and information.

This informational session is **100% voluntary** for parents involved in Maine's Child Protective Services. Data will be collected on participants but will be de-identified to not include participants' names or other identifying information.

Certificates of attendance provided.

Provided by The Opportunity Alliance in collaboration with The Maine Justice for Children Task Force
