2020 Fundraising Events

Once each year our unique barn-turned-agency transforms to host our annual celebration of the great work done by our community members. We honor individuals and organizations that go above and beyond. Join us for a festive and eclectic evening featuring local food and brews, live music, awards, and great company!

The night before the season opener, The Opportunity Alliance will introduce the 2020 Sea Dogs to over 400 children and their families! Meet players, enjoy a ballpark style dinner, live music, and take photos with Slugger.

Spend a day on the greens for a great cause! Play on the regionally revered course at the Woodlands Club in Falmouth. After friendly competition at our scramble, gather for awards and comradery on the deck with light fare and cocktails.

Looking to engage

employees in a tangible and meaningful way at the holidays? Your company or branch office can sponsor local children in our Winter Warm Up clothing drive, bringing light and joy to all involved.
